MEET YOUR BEST PROSPECTS AND CUSTOMERS

The Omaha Health Expo is a diversified presentation for Health, Wellness & Fitness that has proven conclusively that it speeds up the sales process and gets results.

The 2024 OMAHA HEALTH EXPO is the area's largest health, wellness & fitness showcase, where health suppliers can display their latest equipment, products and services at the Oak View Mall, Omaha, Nebraska.

Make this event your company's event of the YEAR! Invite customers, prospects, and friends to visit your booth and attend the expo.

The timing is right, the promotion is ready, and a pre-conditioned audience will be waiting for you. Reach your best prospects in the Omaha area. As an exhibitor, you can meet thousands of new buyers for your products and services.

The Omaha Health Expo Offers Opportunities

- To reach out to new patients, new customers and the chance to interact with them.
- To stand along-side health professionals and explore the latest technologies in health, fitness, and personal well-being.
- To have the ability to educate others on your business and put on your own seminar.
- To take advantage of inviting your clients and prospects to come and participate.
- To speed up the process of acquiring new clientele & patients by compressing months of sales calls into just two days.
- To gain valuable exposure and establish your image in the community, by presenting your message(s).
- To promote your products and services to people interested in changing their lifestyle.

THE OMAHA HEALTH EXPO CAN WORK FOR YOU

The 2024 Omaha Health Expo is the quality event of the year with the best direct marketing opportunity in the Midwest.

Many exhibitors tell us they develop leads, sales, and new business at the show that would take months of sales calls in the field. With the escalating costs of the average sales call, your company can save time, gas and money by exhibiting in the OMAHA HEALTH EXPO.

The Omaha Health Expo attendees are your best prospects and have the buying power to improve their lifestyle. If you can help these consumers live better, healthier and happier, [This Is Your Market!](#)
