Friday through Sunday

MARCH 1 - 3, 2024 CHI Health Center

“Fresh Ideas at the Home & Garden Event of the Year!”

There is growing consumer interest to buy more natural fresh products and services as well as support of local business.

The FRESH & LOCAL Feature Area will showcase Fresh Ideas, the Quality and Diversity of Unique Products offered throughout the Midwest !

FRESH & Local Feature Area

The 58th Annual Omaha Home & Garden Expo and Lawn, Flower & Patio Show will feature the Popular **Fresh & Local Feature Area**. A dedicated area showcasing locally made products, producers, organic products, gourmet foods and plant products offering a new opportunity to present Fresh Products and Services directly to consumers.

Here is your opportunity to market your products directly to thousands of Midwestern families attending one of the largest consumer events held in the Midwest. The Fresh & Local Feature Area will be a combined effort to achieve a common goal to raise consumer awareness and sell more of what area companies produce, create more jobs and contribute to the local economy.

Participation in the Fresh & Local Feature Area will be accepted by application only and subject to approval. Booth Space in this special area will be limited and assigned on a first come, first served basis. For additional information, please call, Mike Mancuso at (402) 346-8003.

Don't Delay and Miss this Opportunity to Showcase Your Products and Services! Send in Your Application Today!
