**Products
SHOW**
FOR BUSINESS AND INDUSTRY

THURSDAY, OCTOBER 12

Don't miss this opportunity to see over 150 exhibits of the latest products and services available in the marketplace, visit with experts regarding your questions, see continuous demonstrations of equipment, compare, evaluate, and explore new technology that can help your company.

- *Reduce Costs • Improve Quality & Safety • Increase Efficiency*
- *Boost Sales • Speed Production • and Much More!*

**PRODUCTS SHOW
MARKS OVER 50 YEARS IN OMAHA!**

For over 50 years, the Omaha Products Show has been one of the largest diversified Business and Industrial presentations in the United States showcasing the latest products and innovations from around the World.

Since 1965

See First-Hand how the latest Technology can improve your operation. To stay competitive, you need to make sure your company's operation is running as efficiently as possible. No where else will you get a more comprehensive display or faster way to give yourself the competitive edge!

The 2017 Products Show offers a FULL SPECTRUM of Suppliers presenting the latest products and services for today - A HANDS ON OPPORTUNITY to see continuous demonstrations, kick the tires and test drive the best technology and equipment available, as well as a chance to find tremendous SAVINGS while getting acquainted with Current and POTENTIAL SUPPLIERS all at one time under one roof!

**Don't Miss This Unique Event And
Working Demonstrations of Ways to
Increase Productivity...**

The Omaha Products Show is a 1 Day Exposition designed to provide answers, solutions and strategies for you and your company. The Expo is the industry's one-stop shop and is the best way of staying one step ahead. If your time is money, the Products Show will save you lots of it.

There is no substitute for a good idea, and the best place to find innovative ideas is the Omaha Products Show. Put the biggest and brightest ideas to work for you - **attend the Expo as our Guest!**
