Just read what they had to say about the program

=====
		"We had a great time. The kids really liked riding everything as much as they		
		wanted, and I liked that it didn't cost a fortune."		
		"Our kids and teachers had a wonderful time. Please keep us in mind for next		
		year!"		
		"We all had a wonderful time! Was it you that ordered the perfect weather? The		
		Mother's in my group agreed that the value of the Kids Packages was amazing. It was		
		also very nice to be there on Friday afternoon when the crowds weren't as large yet. I		
		truly do not think many would have come down on their own accord, but because of		
		the Kids Packages, it drew us in--and many families went back on Saturday & Sunday!"
